WELCOME TO CATALYSIS SYMPOSIUM - 2025

infy Conferences, We are delighted to welcome all the experts from Catalysis, Chemical Engineering to join this 2 day event which has been scheduled during May 14-15, 2025 at London, United Kingdom. Which provides excellent opportunity to exchange information and strengthen the collaboration among the attendees from both academia and industry. This program provides 2 days of robust discussions on recent advancements and new strategies in chemistry research and practice in the field of Catalysis & Chemical Research and Developments as a speaker. The event unites interdisciplinary community of renowned experts and young researchers from the fields of Chemistry, Green Chemistry, Chemical Engineering, Nanotechnology and Materials Science to address and explore fundamental aspects of catalysts, which are responsible for the manufacture and processing of a broad range of daily use products and pose grand challenges for mankind.

This meeting includes several interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on this subject. The objective of the Catalysis Symposium-2024 is to reinforce Contemporary Advances and Innovations in Chemistry & Catalysis Research, Abstracts must contain original research data collected by the author (s). Presentations will be selected based upon their articulation, design and other characteristics, which cover wider aspects of chemical science research as well as its policies related to the themes. The conference enhanced through the provision of an interactive keynote, workshops, oral, and poster presentation sessions. The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges / attendee to connect with each other and share their ideas and establish the foundation for future vision and development.

TENTATIVE PROGRAM

DAY 1

08:00-09:00 : Registrations
09:00-09:30 : Inauguration Ceremony
09:30-10:45 : Keynote Presentations I
10:45-11:05 : Refreshments Breaks
11:05-12:00 : Keynote Presentations II
12:00-13:00 : Scientific Sessions
13:00-13:40 : Lunch Break
13:40-15:40 : Scientific Sessions
15:40-16:00 : Evening Break
16:00-18:00 : Scientific Sessions

DAY 2

09:00-10:40 : Keynote Presentations I
10:40 - 11:00 : Refreshments Breaks
11:00 - 13:00 : Scientific Sessions
13:00 - 13:40 : Lunch Break
13:40 - 15:40 : Scientific Sessions
15:40 - 16:00 : Refreshments Breaks
16:00 - 17:00 : Poster Presentations
17:00 - 17:30 : Closing Ceremony

Opening Dates

Conference Dates : May 14-15, 2025

Abstract Submissions : May 15, 2024

Open registrations : May 01, 2024

SCIENTIFIC SESSIONS

- Catalysis & Chemical Reaction Engineering
- Chemical Kinetics and Catalysis
- Chemical reaction engineering
- Catalytic Materials & Mechanisms
- Material Science & chemical engineering
- Chemistry in Nanotechnology
- Environmental Catalysis
- Photochemistry, Photobiology & Electrochemistry
- Biocatalysis and Green chemistry
- Industrial & Engineering Catalysis
- Nanocatalysis
- Electrocatalysis
- Photocatalysis
- Autocatalysis
- Catalysts & Catalysis
- Molecular Catalysis
- Computational Catalysis
- Catalysis & Polymer Engineering
- Catalysis & Pyrolysis
- Catalysis & Zeolites
- Trends in Catalysis
- Organometallics, Organocatalysis and Bioinorganic Chemistry
- Advances in Catalysis and Chemical Engineering
- Petrochemical Engineering
- Nuclear Chemistry/Radiochemistry
- Applied Catalysis
- Reaction Engineering & Catalysis
- Colloidal & Surface Phenomena
- Fluid dynamics and kinematics
- Chemical Engineering & Allied Catalysis
- Catalysis & Energy Processing
- Others

Abstract Submission visit: <https://www.infygroups.org/abstract-submission>

Register online at: <https://www.infygroups.org/registration>

Group Participation

Submit your group registration interest via online contact form (or) you can also email us at **catalysiscongress2k25@gmail.com** to avail the benefits on purchase of group passes to attend the congress. Companies or Any Individual who is Non-sponsoring to attend an international conference may do as such by utilizing the special group registration fee, these discounts cannot be combined with any other discounted rate. In such Group registration, one person can register an entire group at once, and each person will become a separate participant. drop us a line (at our contact form or email) and we will get back to you within 24 hour minimum! In case of quick assistance you.

Note: We offer a group discount by using group code for three or more participants.

Venue and Location:

Crowne Plaza Ealing, Western Avenue, Hanger Lane,
London, W5 1HG, UK.

Looking forward to
see you in London
2025..!
